Family Planning Advocacy
Additional Resources

Advocates of family planning in Africa need information and tools to help them make the case that advancing family planning on national and community agendas is a good investment. The following materials, practical tools, and informational web sites can help advocates achieve their goals.

Materials

Ashford L. *Securing future supplies for family planning and HIV/AIDS prevention.* Washington, DC, Population Reference Bureau, 2002 (www.prb.org/pdf/SecFutureSupplies_Eng.pdf).
