Nakuru has a higher rate of teenage pregnancy than Kenya as a whole.

Providing adolescents with contraception can:
- Help young women stay in school.
- Support young women’s economic development.
- Promote healthier planned pregnancies and births.

FP Programming in Nakuru Requires More Funds
- Create a FP budget line to fully fund the CIP.
- Leverage donor funds to support CIP implementation.
- Dedicate specific funds for adolescent FP programming.

Family Planning (FP) Budget Allocations Have Increased but Remain Small Share of Health Budget

- Every 100 KES spent on FP saves 225 KES on maternal and child health costs.

FP Programming in Nakuru Requires More Funds

- Does Not Have FP Budget Line
- Costed Implementation Plan
